There are four classes of members of the GPSS: Student Members, Alumni/ae Members, Senate Members or Senators, and Senate Affiliates.

Section 2—Student Members
A. Each student registered and in good standing at Yale University in the Graduate School or one of the Professional Schools is a Student Member unless he or she files a statement with the Secretary of the GPSS declining such membership. Failure on the part of any Student Member to maintain good standing, as determined by such Schools, automatically terminates his or her status as a Student Member.
B. Student Members are entitled to attend Senate Meetings and upon request to and approval by the majority of a Committee, can serve on the Committee requested. Unless elected as Senators, Student Members are not entitled to receive notice of Senate Meetings or to vote at such meetings on matters where Statutory Law or these Bylaws require the vote of the GPSS.

Section 3—Alumni/ae Members
A. A person who, because of the completion of his or her Graduate or Professional studies at Yale University, no longer qualifies to be a Student Member, may on expression of interest to the Senate, become an Alumni/ae Member, in a manner as set forth by the resolution of the Senate. For the purposes of these Bylaws, a person has completed his or her Graduate or Professional studies at Yale University if and only if the following two conditions are true: (1) he or she has been granted a Graduate or Professional degree by Yale University, and (2) he or she is no longer enrolled as a student at Yale University.
B. Alumni/ae Members are entitled to attend Senate Meetings and to enjoy all franchise privileges enjoyed by Student Members.
C. Emeritus Members and Officers of the Senate are automatically Alumni/ae Members.

B. Senate Members are the only class of Members entitled to vote on each matter where the Nonstock Corporation Act of the State of Connecticut, the Certificate of Incorporation, or these Bylaws require the vote of the members of the Corporation.
C. Senate Members have other duties, responsibilities, obligations and privileges as set forth in the Bylaws.
Section 5—Senate Affiliates

A. “Senate Affiliate” is a title that may be given to individuals who volunteer in events, Committees, and activities run by Senate Members.

C. Senate Affiliates shall be appointed by the Executive Committee. Following the dissolution of a Senate session, a former Senate Affiliate may petition for renewal of his or her appointment. The process of appointment renewal shall be identical to that of the initial appointment.

D. When reasonable Senate Affiliates are (1) held to the same responsibilities and expectations as Senators, and (2) enjoy any and all non-voting privileges of Senate Members. Senate Affiliates shall not be voting members of the Senate. Senate Affiliates shall be required to participate in at least one project or one Committee. Senate Affiliates shall be required to attend meetings when the Officer or Senator supervising their project or Committee activities deems such attendance necessary.

E. The term of each Senate Affiliate shall be coextensive with the term of Senate at the time of appointment.

F. If a Senate Affiliate abdicates his or her position, he or she will be relieved of all responsibilities toward the Senate and will no longer enjoy the privileges of the Senate.

Article IV—Senators

Section 1—Duties, Responsibilities, and Obligations

A. Each Senator of each Professional School acts as a representative of the students of his or her respective School. Each Senator of the GSAS acts as a representative of the students of his or her respective Division.

B. Senate Members will be responsible for relaying the views and feedback of Student Members in their Department, Program or School.

C. All Senate Members shall serve on at least one permanent Standing Committee per Senate Session. All Officers however, are exempt from this requirement due to their already established roles as outlined in Article V, Section I of these Bylaws.

D. In order to maintain active Senate membership, all Senate Members must attend at least three fifths (3/5) of the regular meetings held by The Senate per semester.

E. Any Senate Member who fails to attend at least three fifths (3/5) of the regular meetings held by The Senate per semester, without justification, shall be deemed Not In Good Standing. Senate Members Not In Good standing will receive a notice by the Secretary notifying them of their status and shall lose voting rights until they attend one regular meeting.

F. Senators who can demonstrate a semester-long conflict with Senate meetings are permitted to remain In Good Standing if they maintain active participation in at least one Committee’s activities. Active participation is defined as attending over % of the Committee meetings and is subject to the discretion of the Committee Chair.
G. Senate Members who miss three (3) consecutive regular meetings without proper notice or justification will be vacating their seat as outlined in Section 3 (B) of this article.

H. Senate Members shall abide by the regulations set forth by Yale University. They are also expected to abide by local, state and federal law. Violations including but not limited to assault on, coercion, harassment, or intimidation of, any member of the University community, including harassment on the basis of race, religion, gender, ethnicity, or sexual orientation shall not be tolerated and will result in disciplinary action as determined by the policies of Yale University.

Section 2—Election of Senators

A. The current official list of students and Schools, Programs, Divisions, and Departments compiled by the Office of the Secretary of the University is considered binding for the purpose of determining eligibility for Senate membership. If that list is not readily available, the most recently published counts from the Office of Institutional Research of the University shall be valid for the Professional Schools.

B. The Executive Committee oversees all election procedures and has the final say in resolving disputes in situations in which the Bylaws and established procedures are not sufficiently clear.

C. Students in the Professional Schools may organize their own elections. If they choose not to do so, the Executive Committee organizes the election and holds it at the beginning of the academic year. The Senate organizes the election for students in the GSAS at the beginning of the academic year.

D. The students in each Professional School may elect the number of Senators that is the larger of (a) two (2) Senators; or, (b) one (1) Senator for every 150 students. In calculating the number of openings, round the number of students up to the nearest 150 (for example, 301 students would yield three openings).

E. Students in the GSAS may elect one (1) Senator for every 150 students (calculated as shown above in Article IV, Section 2(D)). Students in the GSAS vote only for Senators within their Division (see Article IV, Section 1(A)). For each Division of GSAS, preference will be given to elect Senators from that Division; however, in the event that there are insufficient nominations from a Division of GSAS a student from another Division of the GSAS can run for that Senate position since they are students of the same school.

F. Each Student Member who is enrolled in a double-degree program may be a candidate for Senator in either but not both of the Schools or Divisions in which he or she is enrolled.

G. For every Professional School and every Division of the GSAS, the Executive Committee may restrict one seat to candidates who are first-year students.

H. When the Executive Committee runs an election for the general membership:
   (i) The Public Relations Chair makes public information regarding election procedures;
   (ii) The Secretary receives nominations and statements by candidates via email or online form; and,
   (iii) The Public Relations Chair posts on the GPSS website information regarding election procedures along with the list of nominees and statements by
candidates.

(iv) Nominations must be submitted prior to the deadline for nominations set by the Executive Committee.

(v) Polls open on the date of opening and date of closing set by the Executive Committee (should be at least three (3) days). The elections GPSS runs are held before October 1st, while elections held by the Professional Schools should also be finished in a timely manner.

(vi) Each Student Member may cast only one ballot. Each Student Member of each Professional School may vote only for the candidates in the Professional School in which he or she is enrolled. Each Student Member of each GSAS Division may vote only for the candidates in the Division in which he or she is enrolled. Each Student Member who is enrolled in a double-degree program may cast a ballot in either but not both of the Schools or Divisions in which he or she is enrolled.

(vii) The Secretary and at least one other member of the Executive Committee are responsible for counting the votes. A third party from within the Senate may be invited to act as an auditor to check the tallies.

(viii) The Public Relations Chair announces the results of the election within one week after the deadline of acceptance and posts the results online.

I. Elected Senators serve one Senate Session.

Section 3—Vacancies

A. If following an election a School or Division has fewer than the allotted number of Senators, a Student may petition the President for the position of Senator. In advancing such a petition, the Student becomes a Senator At-Large Candidate. Preference for each position is given to Candidate(s) from the School or Division that has not filled the original Senate seat. Should there be no such Candidates, any interested Student may run for the seat as a Senator At-Large Candidate. The President or presiding officer shall present the Senator At-Large Candidate(s) to the Senate at the next Senate Meeting, and the Senator At-Large Candidate(s) must make a statement at that time. The Senate shall vote following the presentation of statement(s) by the Senator At-Large Candidate(s). The Senator At-Large Candidate requires a plurality of votes of the Senate to become a Senator. If approved, the Senator shall be a general representative who does not advocate on behalf of a particular school. The Senator shall focus on the programming of the Committee(s) they choose to join.

B. A vacancy among the Senate Members may exist when a School or Division is not represented at Senate meetings for two (2) consecutive regular meetings or a Senate Member is absent without justification for three (3) consecutive meetings. Any vacancy so designated by the Secretary may be filled by a Student Member of any School or Division with preference given to Students of the vacant position’s School or Division. Election to the position occurs in the manner outlined in Article IV, Section 3(A). A Senator elected in such manner shall cease to hold Senate Membership upon election or petition and election of a Student Member of the vacant position’s School or Division.

C. If a Senator abdicates his or her position, Student Members may petition to fill the
vacancy as described in Article IV, Section 3(B).

D. Elections for Senator At-Large seats shall be held two times per year: the first general meeting on or after November 1st and the first general meeting on or after February 1st. Prior to each election: (1) the Secretary shall determine the number of vacant seats as outlined in Article IV, Sections 3(A), 3(B), and 3(C) and (2) the President shall communicate the number of vacant seats for each School and/or Division to all Graduate and Professional Students.

H. Duties applicable to all Officers ranking below the President:
   (i) The Officers shall be responsible to the President for the proper and faithful discharge of their duties and shall report to the President;

   (ii) In the event that an Officer cannot attend an Executive Committee meeting, they shall send a representative of the Committee to give the report at the Executive Committee meeting. This representative will not be able to vote on Executive Committee motions.

Section 2—Election of Officers

A. Candidates for Officer positions must be nominated by the Senate Membership.
B. Candidates for Officer positions must be part of the Senate Membership (also including current Officers) at the time of nomination.
C. Each Senate Member may nominate himself or herself.
D. The Executive Committee sets the opening and closing dates of the nominations period.
E. The nominations period must begin no later than fourteen (14) days before the scheduled election of officers.
F. Candidate statements are received during the nominations period. The Executive Committee may decide to receive candidate statements following the close of the nominations period. Candidate statements must be received in time to be published in the agenda preceding the election meeting. The Secretary sets the deadline for agenda submissions.
G. A candidate can be nominated for multiple positions although they can only serve as an Officer in one position.
H. The election is a secret ballot. Three (3) members of the Senate not running for office are appointed by the Executive Committee to receive and tally ballots.
I. The results are announced after each tally.
J. The newly elected Officers may be installed at the meeting of the election or at the beginning of the following meeting.
K. If a Senator runs unopposed for an Officer position, then his or her name appears on the ballot and, barring irregularities in the election procedures, he or she shall be declared by the President or presiding officer to be elected by acclamation.
L. Abdication
(i) If an Officer abdicates his or her position in the period following the installment of the Executive Board, but before the end of the Senate Session, then the following procedure applies: the Senators are asked for nominations via email and again in a period of nominations to appear in the agenda of the following Senate meeting. Nominations close at the end of the period of nominations. If there is only one candidate, then he or she shall be declared by the President or presiding officer to be elected by acclamation following the Period of Nominations. If there are two or more candidates, the Senators vote on the candidate in the manner outlined in Article V, Section 2(H and I).

(ii) If an Officer abdicates his or her position in the period following the end of the Senate Session (that is, after the last Senate Meeting in the Spring Term), then the following procedure applies: The Students who were Senators in the most recently dissolved Senate are asked for nominations via email. Those Senators shall constitute the Senate in time of abdication. The Senate in time of abdication does not require a quorum to vote on a candidate running for the abdicated position. If there is only one candidate, then he or she shall be declared by the President or presiding officer to be elected by acclamation following the Period of Nominations. If there are two or more candidates, then the vote must be conducted in one of two ways: either (1) the secret ballot procedure as outlined above or (2) electronic means that ensures authentication of individual votes.

Section 3—Officer Absence or Disability
In the absence or the disability of the President, the Vice President shall assume the duties of that office. The President shall perform or cause to be performed the duties of the other Officers in the event of their absence or disability until a replacement or interim Officer can be elected. In the event of the absence or disability of the President and the Vice President to serve as President, an election will be called for the office of President.

Section 4—Removal
A. A GPSS Officer may be removed from office at a regular or special meeting of the Senate by two-thirds of all the non-vacant Senate seats voting in the affirmative. Fifteen (15) affirmative votes shall be required for the removal of any Officer.
B. If a GPSS officer fails to attend, without justification, two (2) consecutive Senate meetings and two (2) consecutive Executive Board meetings, for a total of four (4) consecutive meetings, this shall trigger an automatic vote in the Senate to determine whether or not the officer shall remain in their post.
C. Officers may be removed in the Summer Session if two-thirds of all Summer Session members vote in the affirmative. If a GPSS Officer is removed in the Summer Session, the general Senate must elect a replacement within the first two Senate Sessions. If the removed GPSS Officer runs a Committee, the Senate may also vote to suspend the activities of that Committee for the remaining Senate year. Committee suspension requires two-thirds of all the non-vacant Senate seats voting in the affirmative. Upon the removal of an officer, nominations will immediately open to fill the vacancy. An election to fill the seat will take place at the next scheduled Senate meeting. If the duties of the office must be executed in this time,
the President may appoint an interim officer who shall serve until the election of a new officer.

D. During the academic year, officers must not be absent from New Haven for time periods greater than four weeks. Should an officer be absent for this time period or longer, an interim chair shall be appointed by the President and approved by the Senate. Section 6—Quorum
The holders of one-third of the number of elected Senators of the current Senate Session (as listed in Article III, Section 4(A)) shall constitute a quorum for the transaction of all business by the Senate. The Senators present at a duly held meeting at which a quorum is present may not continue to do business if the withdrawal of Senator leaves less than a quorum present.

Section 7—Voting
The vote of a majority of the Senate Membership present at a meeting at which a quorum is present at the time of the act shall be the act of the Senate, unless the act of a greater number is required by the Nonstock Corporation Act of the State of Connecticut or by the Bylaws. The President is an ex-officio member of the Senate, and as such does not participate in
voting. In the case of a tie, the President shall serve as tie-breaker in accordance with Robert’s Rules of Order. Voting may also occur between meetings using an online platform, such as Qualtrics. The Conduct Review Board is charged with reviewing cases of misconduct in Senate duties by either Senators or Officers and recommending consequences to the Senate.

(i) The membership of the Conduct Review Board shall consist of the Vice President, serving as Chair, and two members of the Senate body elected by simple majority. Should a complaint be brought against the Vice President, the Secretary shall serve as Chair in a special session of the Conduct Review Board.

(ii) Complaints of misconduct may be brought by any member of the Senate or Executive Committee, and shall be kept anonymous, except with the explicit written consent of the complainant.

(iii) The Conduct Review Board shall abide by the Conduct Review Board Policies and Procedures, which shall be reviewed for the following academic year in the Spring Semester.

(iv) Policies and Procedures governing the 2018-2019 academic year shall be drafted during the 2018 summer by a Committee of the Vice President and two Summer Fellows and presented to the Senate for approval by simple majority no later than the second Senate meeting of the academic year.

(v) The Conduct Review Board shall process complaints within four weeks of the submission of the complaint. The Board must conduct a hearing at which the accused may present their case, and arrive at a decision by secret ballot with no abstentions allowed. B. Fellows shall be elected before the end of the third Senate Session each semester. If more than two Senate Members seek appointment to the Executive Committee (or more than five for the summer session), then an election shall be held.

C. The Fellows shall have full voting authority on the Executive Committee, and may be appointed for consecutive terms of Executive Committee membership. Fellows shall be held to the same attendance and removal standards as the Officers, as described in Article V Section 4.

D. Five Senate members appointed to the Executive Committee for the Summer Session shall serve the entirety of the Summer Session.

E. Fellows shall work with the Executive Committee on one project during their term.
